

EDGA Membership from 2015

If you are not currently a golf club member and wish to play in EDGA events from 2015, please follow these instructions:-

1. Players can use England Golf's [GolfCentral](#) to find a club and membership offers so that they can join an affiliated club. Use this link
2. Players can also contact their [County Golf Partnership](#) to find out to find out which clubs have flexible memberships offering an affiliated handicap or seek further information about clubs and membership.
3. Members can apply for their pass solely on the criteria of meeting the impairment requirements by applying directly [EDGA](#) or by contacting [England Golf](#). A form will be emailed back which must be filled in by your doctor/consultant and sent back to the EDGA Classifier, Dr M Smith

Mr Mark Smith, Consultant PT

You can contact Mr Mark Smith for all your questions regarding the EDGA medical pass via his [email](#)

Tournament organisers should be asking for your Central Database Handicap (CDH) number and handicap on entry which should be checked with the National Union and approved before accepting entries for tournaments.

To be eligible for tournaments you will need to hold an active CONGU handicap, for more information on this please visit the [Handicapping section](#) of the England Golf website
